Dear Jimmy - Mary and I stopped at
Keenport for breakfast. We went on to
Seaside and sat on the beach and Mary had
a dip in the ocean. Fortunately nothing
was available there for the night except
complete depressing dumps for 20 dollars a
night so we came to Astoria and Love the
deluxe room with two double beds. We
just had dinner in the dining room. We
love the three night house we are staying
you and wish you were here Love, Mom.

SCARFF COLORPHOTO PUBLICATIONS / SEATTLE in hand, we loved seeing
you and wish you were here Love, Mom.
